

### Key customer service role

- Full-time or Part-time Position Available
- Above Award Rates
- Vehicle Supplied

As part of our friendly team we will expect you to be able to work unsupervised.

As the first point of contact with customers your customer skills and responsiveness to their needs are crucial.

You will be involved with the installation, maintenance and service of all types of Air Conditioning and Refrigeration systems, ranging from the domestic field right through to commercial and industrial projects.

This role will grow with your developing customer and management skills, and depending on your own strengths / interests could lead into other roles within our company consisting of sales & marketing, office management or design.

This position would suit a person who is confident in their ability and who enjoys working in a team environment with a view to the long term.

Trade qualification and a current drivers licence is essential.
